Supabase, Prisma ORM, Sanity CMS, NextAuth, Node.js

>> Other Tools

Git/Github, VSCode, Figma

/ ABOUT ME

A dedicated and detail-oriented career shifter with a solid foundation in front-end development, specializing in Next.js. I've gained hands-on experience building responsive, user-centric web applications. Passionate about continuous learning, I'm committed to creating efficient, scalable solutions with clean, maintainable code. I'm excited to bring my unique perspective and growing skill set to new development challenges.

/ PROJECTS

>> Fullstack Portfolio with GuestNote

- Created a personal portfolio showcasing skills and projects
- Integrated Supabase for GuestNote functionality and Prisma ORM for efficient management
- Utilized TypeScript, Sanity CMS, and TailwindCSS for dynamic and responsive design.
- Deployed on Vercel for seamless accessibility.

>> Furrow - A Modern Saas Landing Page

- Designed and developed a sleek Saas landing page using Next.js and TypeScript.
- Focused on responsive layouts and user-friendly design
- Styled the application with TailwindCSS and Framer Motion for a modern and clean interface.

>> AirBnb Clone

- Built a fully responsive AirBnb clone with dynamic property listings and user authentication.
- Integrated Supabase, ShadCN, Kinde, and Prisma ORM for backend services.
- Leverage Next.js and TailwindCSS to deliver a polished, high-performance web application.

/ WORK EXPERIENCE

>> Junior Front-End

Workplace A | Dec. 2023 to June 2024

- Developed responsive web applications using Next.js, React, and Tailwind CSS.
- Collaborated on UI/UX design and implemented interactive features.
- Debugged and maintained front-end code for smooth user experiences.

>> Freelance Upwork

Upwork | 2024 to Present

- Developed and maintained front-end solutions for client projects using modern web technologies.
- Communicated regularly with clients, providing progress updates and addressing inquiries.
- Ensured timely delivery of high-quality web applications, meeting client specifications.

/ EDUCATION

> BS Accountancy | 2009
